TERMINAL DISCLAIMER

Microsoft Corporation, the owner of 100 percent interest in the instant application, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 to 156 and 173 of U.S. Patent No. 7,159,188, as presently shortened by any terminal disclaimer. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent and any patent granted on the pending applications are commonly owned. This Agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 to 156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, and any patent granted on the pending applications, as shortened by any terminal disclaimer filed prior to grant, in the event that the prior patent or any such granted patent later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as currently shortened by any terminal disclaimer or any terminal disclaimer filed prior to grant.

Included herewith is the fee associated with filing a Terminal Disclaimer under 37 CFR 1.20(d). The Commissioner is hereby authorized to charge Deposit Account No. 19-2112 in the event any additional amount is owed, as well as credit any overpayment to Deposit Account No. 19-2112.
